This policy statement sets out the school’s arrangements for managing the access of providers to students at the school for the purpose of giving them information about the provider’s education or training offer.

### **3. Student entitlement**

All students in years 8-13 are entitled:

- To find out about technical education qualifications and apprenticeship opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point;
- to hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships;
- to understand how to make applications for the full range of academic and technical courses.

### **4. Management of provider access requests**

#### **a. Procedure**

A provider wishing to request access should contact Amy Lynch, Careers Adviser, telephone number 01225 762637, email [alynch@jogschool.org](mailto:alynch@jogschool.org)
