TUTORS AND HOUSES

Will I be in a tutor group with my friends?

- Your teachers from primary have given us some advice on good learning partners. Other students from your primary may be in your tutor group but no guarantee to be with friends. However, you can see your friends at break and lunchtime and you may even be in some lessons with them.

Can I change tutor group?

- Moving to a new tutor group is a last resort. If there is a problem affecting your learning and wellbeing we will try other ways to solve the problem first, helping you to be resilient.

What do we do in tutor time?

- To start with your tutor will do lots of activities to get to know you and to help you get to know each other. After a few weeks the normal tutor routine will start.
- Three times a week you do guided reading. This is where your tutor reads to you while you follow the text in the book.
- Most Fridays you will have an assembly during tutor time.
- On Wednesdays you will do different activities led by your tutor which might include quizzes, learning a new skill or having a debate.

TUTORS AND HOUSES

Can I change House?

- If you have a sibling in the school we put you in the same house. Sometimes we don't get this information before you arrive and so if we make a mistake let us know and we can change your house. For any other reason we don't usually change anyone's house.

Are there house competitions?

- Yes. The main one is Sports day but there are smaller events throughout the year. Look out for these being announce in the new academic year.

What happens if our tutor is ill?

- You go to the same place as normal and a cover teacher will be sent to do your register.

These are the questions we are often asked on the transition days. If you have a question we haven't answered in this booklet or in any of the information sent home please email your question to eaddison@jogschool.org
