### Role plays - Words and phrases

PHRASES TO HELP WITH THE FIRST SECTION OF THE GCSE SPEAKING EXAM

# The Role Play

This is what an example of a role play card looks like:

| ROLE-PLAY 1      |
|------------------|
| CANDIDATE'S ROLE |

## Instructions to candidates

Your teacher will play the part of an assistant in the DVD section in a department store in Spain and will speak first.

You should address the assistant as *usted*.

When you see this – **!** – you will have to respond to something you have not prepared.

When you see this – **?** – you will have to ask a question.

Estás hablando con un empleado/una empleada de la sección de DVDs de unos grandes almacenes en España.

- DVD y qué tipo.
- **?** Precio.
- **!**
- Tu opinión sobre el cine (**un** detalle).
- Ir al cine – cuándo.

## 5 Role Play Tips

### 1. Preparation time: use it wisely

- You will have 12 minutes to prepare the role play and the photo card.
- You can make notes on a blank piece of paper which can be taken into the exam.
- You will be able to read your notes during the role play.

**LISTEN TO THE EXAMINER CAREFULLY TO MAKE SURE YOU ARE RESPONDING TO THE CORRECT BULLET POINT.**

### 2. What can you ask the examiner and how can the examiner help

- 1) You can ask the teacher to repeat: “¿Puede repetir, por favor?” [Can you repeat please?]

- 2) If you forget to ask the question the examiner can ask '**¿La pregunta?**' [The question?]
- 3) If you must give two details and you forget one, the examiner can say '**¿Algo más?**' [Anything more?]
- 4) Please self-correct, that is acceptable. '**Perdón, no es correcto, quiero decir...**' [Sorry, that's no right, I mean ....]

### 3. Adapt the bullet point

If you are asked about "**TU** casa", you will need to change **TU** (your) to **MI** (my).

Example: *Tu opinión sobre tu mejor amigo.*

You would change "**TU** mejor amigo" to "**MI** mejor amigo".

### 4. Giving an opinion

It is likely that you will be asked to give an opinion, so know some phrases:

- Creo que ....
- Diría que...
- Opino que ....

#### Notes:

(1) take care to follow the opinion phrases above with either '*es*'[is] or if it is plural [*are*] use '*son*'.

Ejemplo: *Pienso que los deportes **son** ..... = I think that the sports are .....*

(2) Use adjectives like:

- |               |                  |
|---------------|------------------|
| • cómodo      | = comfortable    |
| • emocionante | = exciting       |
| • divertido   | = fun, enjoyable |
| • original    | = original       |
| • aburrido    | = boring         |
| • justo       | = fair           |
| • limpio      | = clean          |
| • sucio       | = dirty          |
| • peligroso   | = dangerous      |
| • seguro      | = safe           |
| • sano        | = healthy        |
| • malsano     | = unhealthy      |

Change the ending '*-o*' to '*-a*' when needed.

Ejemplo: *Pienso que las reglas **son** tontas = I think that the rules are silly.*

*Pienso que los deportes **son** tontos = I think that sports are silly.*

### 5. The question bullet -?-

Learn the question words and some question phrases as you will have to ask a question during the role play.

1) ¿Qué piensas de.....? (What do you think about....?)

or

2) ¿Hay.....? (is there? / Are there?)

# QUESTION WORDS

|           |           |              |                 |
|-----------|-----------|--------------|-----------------|
| ¿Qué?     | ¿Por qué? | ¿Dónde?      | ¿Cuándo?        |
| What?     | Why?      | Where?       | When?           |
| ¿Cómo?    | ¿Quién?   | ¿Cuál?       | ¿Cuánto tiempo? |
| How?      | Who?      | Which?       | How long?       |
| ¿Cuánto?  | ¿A quién? | ¿Tiene?      | ¿Cuántos?       |
| How much? | To whom?  | Do you have? | How many?       |

For the role plays you will need to give opinions and refer to past, present and future. The following can be used.

| You will give opinions |                      |  |  |  |
|------------------------|----------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|
| me encanta             | I love               |                                                                                     |                                                                                     |                                                                                     |
| me gusta mucho         | I like a lot         |                                                                                     |                                                                                     |                                                                                     |
| no me interesa         | does not interest me |                                                                                     |                                                                                     |                                                                                     |
| me aburre              | bore me              |                                                                                     |                                                                                     |                                                                                     |
| me molesta             | annoys me            |                                                                                     |                                                                                     |                                                                                     |
| me fastidia            | angers me            |                                                                                     |                                                                                     |                                                                                     |
| me preocupa            | worries me           |                                                                                     |                                                                                     |                                                                                     |
| diría que              | I would say that     |                                                                                     |                                                                                     |                                                                                     |
| opino que              | I believe that       |                                                                                     |                                                                                     |                                                                                     |
| creo que               | I think that         |                                                                                     |                                                                                     |                                                                                     |
| es                     | [it/he/she] is       |                                                                                     |                                                                                     |                                                                                     |
| son                    | [they] are           |                                                                                     |                                                                                     |                                                                                     |
| • por un lado          | • on the one hand    |                                                                                     |                                                                                     |                                                                                     |
| • por otro lado        | • on the other hand  |                                                                                     |                                                                                     |                                                                                     |
| mi padre dice que      | my dad says that     |                                                                                     |                                                                                     |                                                                                     |
| Estoy de acuerdo       | I agree              |                                                                                     |                                                                                     |                                                                                     |
| No estoy de acuerdo    | I do not agree       |                                                                                     |                                                                                     |                                                                                     |
| es                     | [it/he/she] is       |                                                                                     |                                                                                     |                                                                                     |
| fue                    | [it/he/she] was      |                                                                                     |                                                                                     |                                                                                     |
| será                   | [it/he/she] will be  |                                                                                     |                                                                                     |                                                                                     |
| sería                  | [it/he/she] would be |                                                                                     |                                                                                     |                                                                                     |
| me gusta               | I like               |                                                                                     |                                                                                     |                                                                                     |
| me gustaría            | I would like         |                                                                                     |                                                                                     |                                                                                     |
