"Excellence Every Day"

Our Mission

Our mission is to make sure that all our students, regardless of their circumstances, discover their personal best and thrive academically, individually and socially.

We are relentless in driving high expectations and make no apology for ensuring high standards across the school. We will continually ensure every student achieves excellent results, with high-quality teaching and a first-class curriculum, underpinned by outstanding cultural capital experiences and exceptional pastoral care.

Values

Kindness

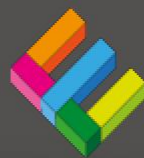

At The John of Gaunt school we nurture, recognise and celebrate the important quality of being generous, helpful, and caring towards other people that is essential in our society today.

Positivity

Being optimistic in attitude is crucial for any person to be successful at any stage of their life. We believe that positivity breeds positivity and so we foster this trait in all members of our school.

Belonging

All our staff and students must be happy and comfortable within our community at The John of Gaunt School. We want every member to feel welcome and accepted so that they can flourish.

Core Principles:

The Department for Education strongly encourage schools to have a uniform.
The governing body believe that,

A uniform can instil pride; support positive behaviour and discipline; encourage identity with, and support for, school ethos; ensure pupils of all races and backgrounds feel welcome; protect children from social pressures to dress in a particular way; and nurture cohesion between different groups of pupils. Above all, many schools believe that school uniform supports effective teaching and learning and engenders a positive, calm and respectful teaching and learning environment.

We also believe that our uniform **increases a student's safety**, making them easily identifiable and discernible from non-John of Gaunt children.

Students must be wearing the correct uniform or have a current letter from a health professional explaining what item the student will not be able to wear, why and for how long this will apply. Students without the correct school uniform will be out of mainstream lessons until such time when the uniform is correct. Students will be offered an item from school where this is available or parents may be asked to bring in the correct item from home where possible.

If there is a financial issue relating to the purchase of school uniform, parents and carers are asked to speak with the relevant member of the Student Development Team to discuss what support is available.

Uniform/Dress code Years 7– 11 All Students

Nose studs, eyebrow bars/studs, tongue piercings or any forms of body piercing are not allowed.

Jewellery of any type must not be worn during PE or games for health and safety reasons. The use of plasters to cover jewellery is not acceptable.

Sixth Form / Dress code

Although there are no uniform requirements in the Sixth Form, there is a formal dress code. As you are a senior member of your school, we expect you to set a mature example in the way you behave and dress. With this in mind, we expect you to dress in a way that is safe and acceptable in style to both the staff and visitors to the school. The dress code is based around being ‘business casual’ as a means of preparation for life beyond the Sixth form.

We want Sixth Form students to feel comfortable and unregimented; however, the way you dress should clearly indicate that you are essentially here to study. There may be times when more formal dress will be required, such as when you are helping out at public events.

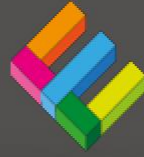

Infringements

Any infringement of the above rules may result in students being sent home to remedy the situation or being isolated internally until remedied.

Stockists

There is a second-hand uniform shop that operates out of the Wingfield Office and the Headteacher/Student Development Team can be contacted by parents, in confidence, for financial assistance at their discretion should this be necessary.

The school uniform is currently available from Scholars Trowbridge and Trowbridge Schoolwear Ltd who hold supplies of polo shirts, sweatshirts, and the optional jacket.
