The John of Gaunt School encourages its students to take responsibility for their own timekeeping by being trusted to self-register. For this, the chosen solution needs to be reliable, fast and simple to use. Sixth Form students will be able to use thumbprint technology for both cashless catering AND self-registration for study periods, as well as signing in and out.

Self-registration not only saves time for staff, but also gives real-time attendance data. Students sign in the moment they are on site and statutory AM/PM registers are taken automatically. Accurately recording which students are on site is a statutory requirement.

**This form is valid for the period that you attend this school. Please write to the school if you wish to withdraw consent at any time. Alternatively, there is a 'Consent Withdraw Form' available on the school website in the 'Parents' section under 'Information Governance'.**

**Please return this form to Mrs Gray in the Finance Office.**
