

Dear Parents, Carers and Students,

Year 11 Prom – Proof of negative LFT needed

Following the Prime Ministers confirmation of the removal of restrictions from Monday 19th July 2021, I am pleased to confirm that the Year 11 Prom, scheduled for Thursday 22nd July 2021 can go ahead.

Just to reconfirm that the venue is the Leigh Park Hotel, Bradford on Avon. Time 7 for 7.30pm. There will be no alcohol available. There is a buffet supper being served during the event.

However, as case numbers of the Delta variant are on the rise and in order to keep students as safe as possible, we have been requested to ensure that all guests attending the event have completed a Lateral flow test and secured a negative result on Thursday in advance of the Prom.

All guests will need to provide proof of a negative result on the night, by showing staff the NHS email on the door. We will record all results and keep a list of all those attending for Track and Trace purposes. If students do not provide proof on entry, they may be refused entry to the event.

To access a lateral flow test, please follow the link:

<https://www.gov.uk/order-coronavirus-rapid-lateral-flow-tests>

Please ensure that you book these as soon as possible so that they arrive on time (they normally take 2-3 days). If you are struggling to access these, please email the school and we can provide one for you.

We are absolutely thrilled that we can finally all celebrate the success and resilience of these amazing students. Looking forward to seeing you next week.

Yours sincerely

Mrs S Scott
Head of Year 11
