Dear Parent / Carer

September Covid-19 testing arrangements

Further to my letter last week regarding lateral flow testing on our return to school in September, please see below details of the timings for testing for **Year 11**. As a reminder, for test one students should come in to school for their test and go home again. They will then return to school on Monday 6th September. Test two will be taken during and at the end of the school day, which does unfortunately mean that there will be a slightly later finish for the final tutor groups, however this is the only means of fitting so many students in to one day. Apologies for any inconvenience this may cause.

I would also like to remind you that consent is required for all under 16s to be tested on site. If consent has been given previously we will take this as agreement to the planned September tests. If you have not already done so, please see below the attached link to access the online form.
